Rabies Vaccination Clinic

On Saturday, October 29, 2011, Harris County Public Health & Environmental Services (HCPHES) Veterinary Public Health will sponsor a low-cost rabies vaccination clinic at the North Shore Rotary Pavilion, 14350 Wallisville Road, Houston, Texas, 77049.

The clinic hours are from 9:00am – 1:00pm. The rabies vaccination will cost \$5.00. County pet licenses will also be available.

All dogs and cats four months of age and older are required to be vaccinated against rabies and licensed with the county. Vaccination and license tags are a pet's ticket home should they ever become lost.

HCPHES Veterinary Public Health requests that all dogs be on a leash and ALL cats are contained on leashes or in pet carriers. If neither is available to the cat owner, a pillowcase or onion sack works well for short-term confinement.

For your safety, your pets' health, and your community, please bring your pets to the vaccination clinic and obtain their rabies shots.

For more information call HCPHES Veterinary Public Health at 281/999-3191 or log on to www.hcpbes.org/vph or www.countypets.com .
