Harris County Public Health & Environmental Services (HCPHES) Veterinary Public Health has collaborated with the Animal Humane Society in Minnesota to find homes for Harris County pets displaced by Hurricane Ike.

HCPHES Veterinary Public Health staff & volunteers and the staff of the Animal Humane Society load animals for the trip to Minnesota.

HCPHES Veterinary Public Health RVT Rhonda Bridges prepares to load a lucky traveler to Minnesota!

59 animals were picked up on Tuesday, September 30th for the 22 hour ride to the Animal Humane Society's five different shelters in Minnesota.

An additional 60 animals will be flown via Northwest Airlines in the coming weeks.

Our generous volunteers load up and prepare to leave for Corpus Christi!

On September 19th, volunteers drove 16 animals to the Animal Care Center of Corpus Christi. The Corpus Christi shelter volunteered to help find new homes for Harris County pets in need.

HCPHES Veterinary Public Health will continue to look for and work with regional and national partners to help Harris County pets find new homes.

If you would like to adopt a homeless pet, visit our website at www.countypets.com or call 281-999-3191 for more information.
