Humble WIC Clinic Moves to New Location

Harris County Public Health & Environmental Services (HCPHES) is pleased to announce the move of their Humble WIC Center to a new, larger location effective October 12, 2009. Previously, the WIC Program operated at the Humble Health Center at 1730 Humble Place Drive. The new location is 8950 Will Clayton Parkway, Suite A, Humble, TX 77338.

“The request for our services has been growing greatly, therefore, we are very excited by the opportunity to serve our Humble area clients in a new, spacious facility offering a large parking lot.” stated Christie Kennedy, HCPHES WIC Director.

The hours of operation will remain the same as at the older location until January, when hours will be extended. For additional information or to make an appointment, call (281) 446-5207.

About WIC:

Women, Infants & Children (WIC) is a nutrition program sponsored by the Texas Department of State Health Services which helps pregnant women, new mothers, and young children eat well, learn about nutrition, and stay healthy. WIC provides nutrition education and counseling, nutritious foods, and access to health care for low-income women, infants, and children through its Special Supplemental Nutrition Program. Eligible breastfeeding mothers can receive breast pumps, breastfeeding supplies and peer-to-peer counseling through the WIC Program.

This Institution is an Equal-Opportunity Provider
