Make Your Voice Heard – Community Input Needed!

The 2009 H1N1 flu pandemic was mild, but what if the next one is not?

Harris County Public Health & Environmental Services (HCPHES) wants to hear from community members regarding the delivery and distribution of certain limited medical supplies during a severe pandemic.

HCPHES will be sponsoring eight (8) separate community meetings to better understand your values and priorities on these important issues.

Make **YOUR** voice heard on questions like:

- If vaccines are in short supply, who should get vaccinated first?
- If we have a limited amount of antiviral medications, who should get them?
- If there aren't enough ventilators (breathing machines), who should get them?

HCPHES encourages the community to attend one of the following meetings. A \$75.00 stipend will be offered to those who pre-register and attend a full meeting.

June 18

San Jacinto Junior College
Kaleidoscope Room
8060 Spencer Highway
Pasadena, Texas 77505
(Spanish translation available)

June 25

Sunnyside Multi-Service Center
4605 Wilmington Street
